Claudia Hannaford has actively served CSLA for many years, the last six as chair of Continuing Education committee. She is librarian at St. Michaels in the Hills Episcopal Church, Toledo, Ohio.

Notable Quote

I have had both surprises and rewards in my library work. One of the best surprises I have had as a self-trained volunteer church librarian is finding that my problems are not unique. Others I have met in CSLA seem to share my frustrations, to suffer the same failures and to find joy in the same successes. This, I believe, is why we need one another. Sharing our experiences can provide short cuts and answers, and will help us to grow in our avocation.
